COLUMBIA LIGHTING ENERGY SOLUTIONS

e.poc®
FULL DISTRIBUTION LUMINAIRE

A new epoch has dawned in indoor lighting.

Spice up your retail space with e-poc. Its stylish linear design and full light distribution help you put your best foot forward. Its low energy footprint allows use of accent lighting in other parts of the retail environment while still meeting energy codes.

Characterized by clean lines, low contrast luminance, and heightened attention to energy reduction and sustainability, e-poc is a full distribution luminaire in a 2-lamp lensed package. Available in both T5 and T8, e-poc incorporates a multitude of lamp/ballast combinations and controls compatibility. e-poc also offers a choice of optical aesthetics and an ease of serviceability that is unmatched.

Columbia Lighting is a proud manufacturer of ARRA qualified lighting.
